### Lower Federal Road Improvement Project Update #2 CT DOT Project Number 0018-0135

December 14, 2021

Demolition of the Ramen House at 316 Federal Road (pictured below) and the home north of it are schedule to start Thursday, Dec 16 and will last two weeks.

There will be survey workers along the roadway over the next couple months preparing for the relocation of utility poles in the spring. Drivers should take extra care when traveling through the area. No construction is planned until the spring of 2022.

This project is fully funded by the CT DOT and includes 5,300 feet of roadway improvements on Federal Rd from BJ's to the shopping plaza at 317 Federal Road and 800 feet on Old New Milford Road. Improvements include sidewalks, additional turning lanes, new traffic signals and bus shelters. Construction is scheduled for completion in November 2023.
